

Noah

Simple with enough detail to keep things interesting, Noah is truly a beautiful piece. Featuring our smooth flip function and adjustable back cushions to add extra lumbar support, you simply won't be disappointed with this sofa.

Flip Function

One of the smoothest sleeper functions on the market. Simply lift the front seat and with a flick of a wrist a bed is revealed. As with all of our functions, Flip provides superior sleeping comfort without compromising the seating comfort or seat structure.
