

Nothing feels better than **Victory**TM

STRUCTURAL FIRE GLOVES

Maximum Dexterity. Minimum Price.

Flexible from the start thanks to 3-D structural glove design and unique materials, the new Victory glove offers the ultimate in comfort, features, and protection at a fraction of the price.

Features/Benefits:

- Advanced 3-D design featuring soft, yet durable, goatskin fourchettes provides maximum dexterity
- Heat-resistant, flexible, and water-repellent goatskin split leather outer shell
- Aramid wool blend inner layer with added padding on the back of hand to increase thermal protection
- GORE® CROSSTECH® moisture barrier for lightweight, breathable, superior liquid penetration protection
- Palm layers stitched down with 100% Kevlar® high-burst thread for a stronger grip
- Leather pull-tab for easy donning and doffing
- Color: Cognac/Black
- Sizes: XXS - 4XL (Cadet: S - XXL)
- Product Number: LPGVCTRY=10 (Cadet: LPGVCTYC=10)
