DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Sanitizes soft surfaces and fabrics in 5 minutes. Air dry. Rinse or wash item before use.

DISINFECTION / VIRUCIDAL* / FUNGICIDAL / MOLD & MILDEW CONTROL DIRECTIONS:

Using a coarse spraying device, spray 6 - 8 inches from surface, until surfaces are thoroughly wet. Do not breathe spray. Treated surfaces must remain wet for 10 minutes. For Human Coronavirus, treated surfaces must remain wet for 1 minute. Wipe dry with a clean cloth, sponge, or mop or allow to air dry. For heavily soiled areas, preliminary cleaning is required.

Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware and dishes.

For fungicidal activity: Defensive Solutions™ SureClean™ Plus is an effective one-step fungicide against Trichophyton mentagrophytes when used on surfaces in areas such as locker rooms, dressing rooms, shower and bath areas, exercise facilities and much more.

For mold and mildew: Repeat treatment every 7 days or more often if new growth appears.

This product is not for use on medical device surfaces.

Defensive™
