

IMPACT REPORT

A group of children are standing outdoors, holding various food and supply items. In the foreground, a boy in a red t-shirt holds a clear plastic bag filled with water bottles and other supplies. Next to him, a boy in a green t-shirt with 'AGES SPORTS' and 'CAMP JUNIOR SPORTS' printed on it holds a large white sack with a drawing of a man's face wearing glasses and a mustache. To the right, another child holds a large sack of 'SUPERFINE JEERA RICE' by 'Rice Industries'. The background shows other children and adults, some in red shirts, suggesting a community event or distribution point.

LOCATION OF THE IMPACT

Mumbai, India , Shyam Nagar, Bhandup East

Our country manager chose this location because many guest workers and their families reside in this complex - With the COVID-19 pandemic causing widespread job losses and economic distress, many people struggle to make ends meet, and the situation is particularly dire for guest workers and their families.

BFWP's decision to provide acute support to guest workers and their families is a laudable initiative that deserves recognition and support. By working together, we can overcome the challenges posed by the COVID-19 pandemic and build a more resilient and inclusive society for needy people.

OUR COUNTRY MANAGER

Shakti Yadav, our country manager from Mumbai, India, decided to do something against the combined issues of waste and poverty and contacted us via Instagram in 2020 ago to implement the BFWP concept in Mumbai. Our resources were strained at the time, but he remained vigilant and presented us with a complete action plan to get started in his community. This is the ninth home delivery organized by Shakti in Mumbai.
