LOCATION OF THE IMPACT

Mumbai, India , Chamunda Nagar, Bhandup East

Our Country manager chose this location because many guest workers and their families reside in this complex - With the COVID-19 pandemic causing widespread job losses and economic distress, many people struggle to make ends meet, which is particularly dire for guest workers and their families.

BFWP's decision to provide acute support to guest workers and their families is a laudable initiative that deserves recognition and support. By working together, we can overcome the challenges posed by the COVID-19 pandemic and build a more resilient and inclusive society for needy people.

OUR COUNTRY MANAGER – SHAKTI YADAV

In 2020, Shakti Yadav, our country manager based in Mumbai, India, took a stand against the intertwined challenges of waste and poverty. He reached out to us on Instagram, expressing his interest in implementing the BFWP concept in Mumbai. Despite our limited resources at the time, Shakti persisted and presented a comprehensive action plan to initiate the program in his community.
