## WELCOME TO OUR PRODUCT CATALOGUE FOR 2021

- 1. About Us 04
- 2. Signal Launcher 08
- 3. Flares & Shells 12
- 4. Accessories 22

Signal Flares Inc. is a safety flare and pyrotechnic provider based out of Edmonton, Alberta.

We sell a wide array of aerial signal launchers, revolvers, pistols, pocket launchers, flares, parachute flares, cracker shells, bang shells, blank cartridges, crack cartridges, flare adapters, and accessories.

The importance of being prepared is critical. The most experienced hiker, rock climber, boater, or driver faces the possibility of getting lost, ill, or severely disabled in an accident.

How will you alert others of your misfortune?

# ABOUT US

**F**ounded in 1983 and incorporated in 1992, Signal Flares Inc. is a Canadian locally owned, privately held company. We sell a wide array of products that can be categorized in three different subcategories: Signal Launcher, Flares & Shells, and Accessories.

## QUALITY

Safe and reliable products for all your industrial and recreational needs.

## PRICING

We offer competitive economic pricing at great deals.

## CUSTOMER SERVICE

Our staff always put our customers first and are experts in their product knowledge.

# SAFETY MATTERS.

**S**ignal Flares Inc. does not export outside of Canada. In the event of improper handling of any weapon or fireworks, Signal Flares Inc. will assume no liability whatsoever, and will make no indemnification payments. The user themselves are liable for any damage or injury.

## HOW TO ORDER

Our website is fully operational to take your orders. If you are unsure which product is best suited for your needs, our sales team is extremely knowledgeable and willing to help guide you.

### SEARCH YOUR PRODUCT

Our products are organized in three categories: signal launcher, flares & shells, and accessories.

### CHECKOUT AND PAYMENT

Large orders may be subject to various discounts. Contact us to find out more.

### SHIPPING & DELIVERY

As some our products are classified as Dangerous Goods in Canada, we cannot sell to P.O. boxes. Additional charges are applicable to delivery.
