**MOSES BASKETS INSTRUCTIONS**

**Recommended Age: Up to 3 Months (15 lbs) or when the baby can push up or roll over unaided.**

**DO NOT LIFT, MOVE, OR CARRY** the basket with your baby inside of it. **FALL HAZARD:** To help prevent falls, do not use this product when infant begins to push up on hands and knees OR has reached manufacturer's recommended weight, whichever comes first. For use until your baby is **15 lbs.**, OR when Baby can push up, roll over, or crawl – **whichever limit comes first** • Child's movement can slide carrier. NEVER place carrier near edges of countertops, tables, or other elevated surfaces. • **Basket should always** be placed on a firm, flat surface. It should never be placed near stairs. **NEVER LEAVE CHILD UNATTENDED.**

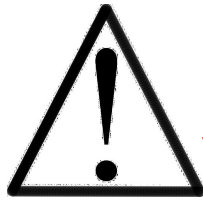

**Failure to follow these warnings and instructions can result in serious injury or death.**

## **SUFFOCATION HAZARD – INFANTS HAVE SUFFOCATED:**

- (1) In Gaps between extra padding and side of the bassinet/cradle, and
- (2) On Soft Bedding.

Use only the pad provided by manufacturer. **SUFFOCATION HAZARD:** NEVER add a pillow, comforter, or another mattress for padding. **SUFFOCATION HAZARD:** Infant carrier can roll over on soft surfaces and suffocate. **NEVER** place carrier on beds, sofas, or other soft surfaces. If a sheet is used with a pad, use only the one provided with the basket or one from Design Dua Co. or one that is specifically designed to fit the dimensions of the mattress provided. Only a fitted sheet, mattress pad and/or pad should be used under baby. Use **ONLY** liners, bedding, and stand designed for this moses basket from Design Dua Company Ltd. **Failure to follow this instruction will render the basket unsafe.**

## **WARNING:**

**Failure to follow these warnings and instructions can result in serious injury or death.**

**TO REDUCE THE RISK OF SIDS:** pediatricians recommend that healthy infants be placed on their backs to sleep, unless otherwise advised by your physician. • **NEVER** use plastic bags inside the basket such as to cover the mattress. • **DO NOT** allow other children or pets to climb or lean into/onto the basket when your infant is inside. **DO NOT** leave children unattended with baby in bassinet. • **DO NOT** use infant carrier if it is damaged or broken. • **DO NOT** attach or place toys with strings in or around the basket. • **STRINGS CAN CAUSE STRANGULATION! Do NOT suspend strings over a bassinet or cradle or attach strings to toys.** • Do Not place items with a string around a child's neck, such as hood strings or pacifier cords. **Keep basket away** from stoves, heaters, campfires/flames, fireplaces, stairs, open windows, window blinds, running or standing water, and any other hazard which could cause injury to your baby. • Infant carriers not intended for use as infant restraint devices in motor vehicles. **NEVER** use this carrier as a means to transport an infant in a motor vehicle. **FALL HAZARD:** Child's Activity can move carrier. **NEVER** place carrier on countertops, tables, or any other elevated surface.

**PARTS INCLUDED:**

- 1 x Bassinet Basket
- 1 x Foam Mattress Pad

**INSTRUCTIONS:**

If you wish to wash the included items before use, wash cold and tumble low. **Do not ever wash the included pad separate from its cover.** The cover is sewn tightly to meet safety regulations and removing it will make it difficult to place the inner foam back inside and fit the bassinet. Wash whole and air dry. **Waterproof sheets should never be placed in a hot dryer.**

To assemble: Place Liner on the basket. After, Place foam mattress pad into the basket. If using with a sheet, make sure all edges of the sheet wrap around the sides to the underside of the pad. Only sheets made for the dimensions of the pad should be used. Loose bedding can pose a danger to your baby, Everything should be tight. Place Mattress Pad into the basket and push it down firmly around the edges to make sure it's properly fitted. Routinely check to make sure no basket strands are sticking out. If so, please trim with scissors. This is a natural basket, if reshaped with water, after drying fully re-check for loose grass strands.

Basket can be wiped clean with a damp cloth and air dried if needed. **DO NOT** use this Basket if the handle is broken.

**Contact us immediately if you feel there is an issue with your item, deeming it unsafe.**
