

## APM BRACELET SIZE GUIDE

Before measuring your bracelet size, be sure this guide is printed in US Letter size and scaled to 100%. You can check the accuracy of your print by making sure that the scale measures exactly 50 mm / 1.968 inches.

Find your bracelet size by using our  
APM Monaco ruler

### STEP 1

- Cut the APM Monaco ruler and the '**CUT HERE**' line.
- Wrap it around your wrist at the base with the numbered side visible.
- Slip the '**INSERT LINE**' through the '**CUT HERE**' horizontal opening and pull until the ruler is flushed against your skin.

### STEP 2

Identify the circumference of your wrist in **mm** or **in**.

### STEP 3

Depending on the model (cuff, open cuff, bangle...), please refer to the size guide on the product page to choose from **XS** to **XL**
