Giffords Hall Bacchus 2022

Suffolk, England.

The Vineyard

Giffords Hall is a family-owned vineyard, situated on an ancient glacial riverbed. Our 19-acre vineyard grows upon fertile sandy loam soil over gravel to produce quality grapes, high in natural sugars and acids, which lend themselves particularly well to sparkling and still wines. It's this special terroir which gives our wines their dry flinty quality and delicate floral accents.

The vineyard was planted around 25 years ago and the vines are now in their prime.

Tasting Notes

Our Bacchus is a fresh, delicate single estate wine produced every year since 2009. A favourite with the judges, it expresses the complexity of the Bacchus varietal. At Giffords Hall, it benefits from ample time resting on its lees; subsequently, its lush nose offers full, fresh aromas of elderflower, nettle and punchy green fruit. A hint of lychee can be tasted on the palate with a flinty finish

Pairings

Scallops, sea bream, and white meats.
Pea risotto and asparagus with summer herbs

Size	6x750ml
Vegan	Yes
ABV	12.5%
