

CUSHION MAX MAT

ANTI-FATIGUE MAT

The Cushion Max is a durable, lightweight and flexible mat with superior anti-fatigue properties.

It is designed to withstand grease, oil, and chemicals.

FEATURES & BENEFITS

- Constructed of 100% nitrile/PVC closed cell foam to provide superior anti-fatigue mat properties
- Grease and oil resistant; chemical resistant
- Ideal anti-fatigue mat for employee comfort and ergonomic benefits
- The diamond patterned surface is more than twice as durable as traditional PVC foam mats
- Helps to reduce slip and fall accidents
- Beveled edges provide safer transition from floor to mat
- Ideal for warehouses, picking lines, assembly lines, workstations, checkout counters and laboratories
