

LIVESTOCK BREEDING MAT

LIVESTOCK

Our high quality, eco-friendly Livestock Breeding Mats provide a comfortable surface for stables and breeding sheds.

Its soft, natural surface allows each hoof to settle and nest, reducing livestock stress by offering a familiar turf-like feeling under their hooves, unlike rubber matting.

FEATURES & BENEFITS

- All natural Coir
- Better footing for breeding purposes
- Superior comfort
- Reduces animal discomfort
- Super-absorbent
- Durable
- Biodegradable
