

PLY INSERTION GRIP RUBBER MAT

LIVESTOCK / RUBBER MAT

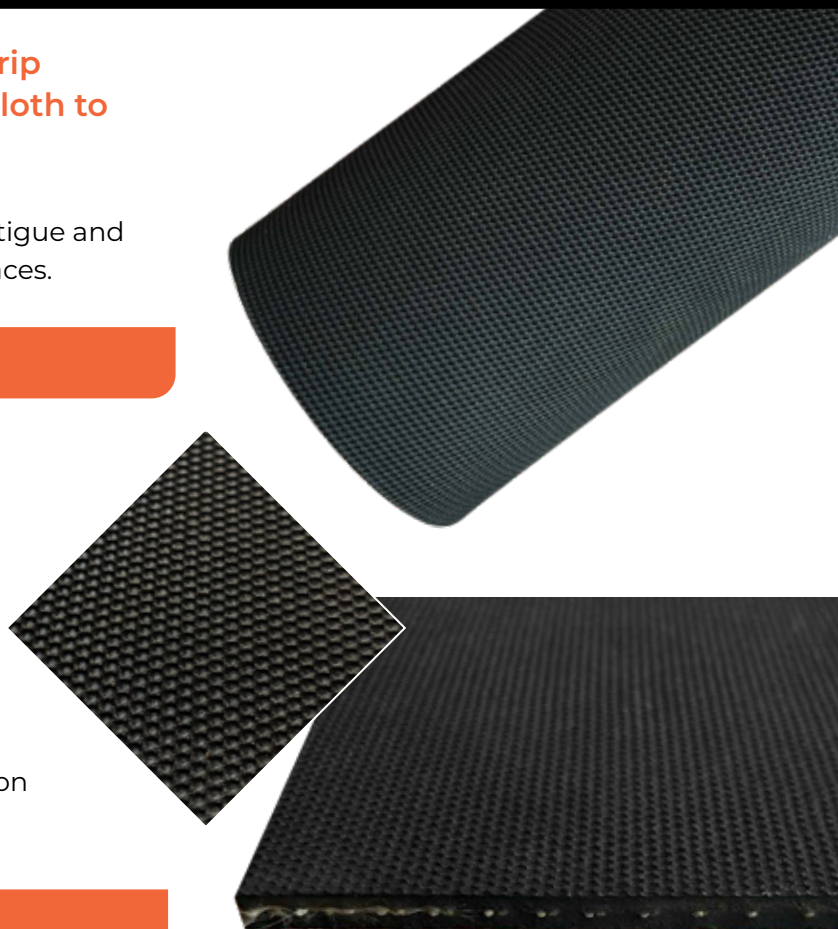

Our versatile and durable Ply Insertion Grip Rubber Mat is reinforced with a ply-net cloth to improve tear strength and stability.

This mat provides a textured anti-slip surface with anti-fatigue properties to protect livestock from fatigue and injury caused by prolonged standing on hard surfaces.

FEATURES & BENEFITS

- Woven cloth insert for added tensile strength
- Textured surface
- Long length to reduce joins
- Easy to clean
- Its non-porous surface will not absorb or retain moisture and will not encourage bacterial or fungal growth
- 3 year lifespan based on normal use and condition
- Also available by linear metre

SPECIFICATIONS

Uses	Indoor/Outdoor, Heavy duty, Livestock
