

# SAFETY GRIP TUBULAR MAT

## ANTI-FATIGUE MAT / WET AREA

### Tubular cushion tread matting.

Our **Safety Grip Tubular Mat** is manufactured from extremely strong and hard wearing non-toxic food grade PVC. It's tubular top surface and under-bars are designed to create maximum cushion comfort underfoot.

The open grid design allows liquids or spillage to drain through, while its textured surface reduces the risk of slips and falls.

### FEATURES & BENEFITS

- Excellent anti-fatigue properties with a textured slip-resistant surface
- Hygienic, non-porous and easy to clean
- Chemical, oil, alcohol and flame resistant
- Offers insulation from cold or damp floors
- UV resistant & extremely hard wearing
- Prevents glass breakages and improves safety
- Keeps feet dry in wet environments
- Good sound reducing properties
- Contours to uneven floors
- Australian Made
- Available in 600/910/1220mm x 12m rolls or Made to Measure
