WHAT WE DO

VIEW OUR RANGE

# LIVESTOCK MATTING

Protect your livestock with our extensive range of matting solutions.

When it comes to your **horses, cattle** and other **large livestock**, it's crucial they have access to soft and secure surfaces that protect them from injury and discomfort. Our mats are purpose-designed by industry experts with animal health and safety in mind.

Our durable and high quality **Livestock Mats** provides a safer surface for both animals and human handlers alike, especially in circumstances where your horses or cattle are standing for

extended periods of time (*such as in stables or in transit*).

Our collection includes a diverse range of **Livestock Mats** that comprise of various materials for different purposes and applications at competitive prices.

**The Mat Group** is always on-hand to offer professional guidance regarding which of our items best suit your animals' specific needs.

*From concept and quotation, through to production and installation, we work closely with you to ensure a smooth, enjoyable process, and a positive outcome for your project.*
