WATERHOG ECO PREMIER

ENTRANCE MAT

Waterhog[™] Eco Premier entrance mat has a ridged construction that effectively removes and traps dirt and moisture below shoe level.

Exclusive rubber-reinforced face nubs prevent pile from crushing, maintaining high performance and extending product life. Premium tri-denier polypropylene fibre system allows fabric to dry quickly while preventing entrance mat to fade and rot.

FEATURES & BENEFITS

■ 50% heavier than Waterhog™ Classic entrance mat

 Anti-static rating averaging 1.2KV with a maximum average voltage of 1.6KV as measured by the AATCC

- Eco friendly entrance mat rubber backing has 20% recycled rubber content
- All Waterhog entrance mats are certified slip resistant by the National Floor Safety Institute
- Tested by CSIRO
