CAJON BOX

CAJON box product sheet

CAJON is a captivating natural wood storage box that effortlessly blends aesthetics with functionality. CAJON isn't just a container; it's a carefully crafted piece that harmonizes both its interior and exterior, vastly expanding its potential applications. This remarkable creation, by Alban Le Henry, seamlessly transforms from storage space to a versatile support, adapting flawlessly to your requirements.

Meticulously calibrated proportions ensure CAJON's adaptability across various scenarios, forming an optimized system of utility. Whether standing upright or positioned horizontally, used individually or as a set, the CAJON storage unit accommodates an extensive array of functions.
