## Ring Size Measuring Tool

Cut out this ring sizer

### Instructions for Using the Ring Sizer:

1. Carefully cut out the ring sizer.
2. Make a small slit for Slot "B".
3. Position the sizer around your finger, ensuring the numbers are on the outside and facing you, where you intend to wear the ring.
4. Gently pull the pointed end Tab "A" through Slot "B" until the sizer fits comfortably around your finger.
5. Your ring size corresponds to the number aligned with Slot "B".

As demonstrated here, the ring size is 7.
