

6' Regal Illuminated Gift Box Instructions

1. Align the bottom half of the gift box over the bar on each round base and secure with (2) M6x50 hex bolts.
Do this for each base.

2. Align the top half of the gift box over the bottom half and secure with (6) M6x30 hex bolts.

3. Attach the mini light connectors from the top and bottom sections, and attach the connector at the bottom of the gift box to the 24V transformer.
