Dear JourneyWoman,

In this special feature, we highlight tours from our Women's Travel Directory for the Active Adventuress, from kayaking in Croatia to hiking in Slovenia to a safari in Africa. Looking for inspiration? Visit the "Active Adventuress" section of our website to discover more tips and ideas to plan your next excursion.

We invite you to **leave a review** for a tour company you've travelled with on their listing page and help them improve their service to you. When you travel, we hope that you'll support a woman-owned small business, and look for the "**JourneyWoman Verified**" mark, which indicates the tour or retreat company has been reviewed using specific women-friendly criteria.

International Women's Day 2022 - March 8

Every year, JourneyWoman hosts a photography exhibition for International Women's Day. This year, we want to show our support for the women who guide us on our travels, the women who connect us to meaningful travel experiences. We've also invited three curators from our Women's Travel Directory to help us evaluate submissions: Amina Mohamed of Triple F Photography, Mindy Veissid, founder of the boutique school Art of Intuitive Photography and April Bielefeldt, Your Photo Travel Guide. Please share a photograph and a story of a woman who has made a difference in your travel experience - past and present - by February 25. We'll share the winning entries in a special issue of JourneyWoman Magazine. [Read more here.](#)
