

Connect to other like-minded solo travellers!

Oct 18, 2022

Dear Goddess,

One of the things I love most about JourneyWoman is the feeling of connection we share. When we connect, we give each other strength and courage. We lift each other up and inspire each other to live the life of our dreams. We support each other with our wisdom and honest experiences.

We want to provide you with different ways to connect with other solo women through virtual and in-person forums, including our monthly Community Calls, private Solo Travel Wisdom Facebook group, in-person Meetups and Travel Book Club.

Join our next Community Call on October 27, 7 pm ET

We launched our Community Calls in April 2020 to connect us and create a greater sense of community among our readers. After a hiatus over the summer, we're starting them again and our first one is next week!
