Best place to buy Dianabol with credit card in USA & UK. Find several Methandrostenolone Dianabol products for sale from legit steroid shop. ... If a positive experience is enjoyed in the 20-25mg range, 30-35mg per day can be attempted if desired. 50mg per day would be the next step up, and that's a big Dianabol dose, but manageable for the ... Description. Buy Dianabol UK. Dianabol is the most recognized trade name for the drug methandrostenolone, also referred to as methandienone in many countries. Methandrostenolone is a derivative of testosterone, modified so that the hormone's androgenic (masculinizing) properties are reduced and its anabolic (tissue building) properties preserved.
