Title 6. — The Policy

claimants, it is necessary that the terms of the policy be applicable to the past or present.

Title 6. — The Policy

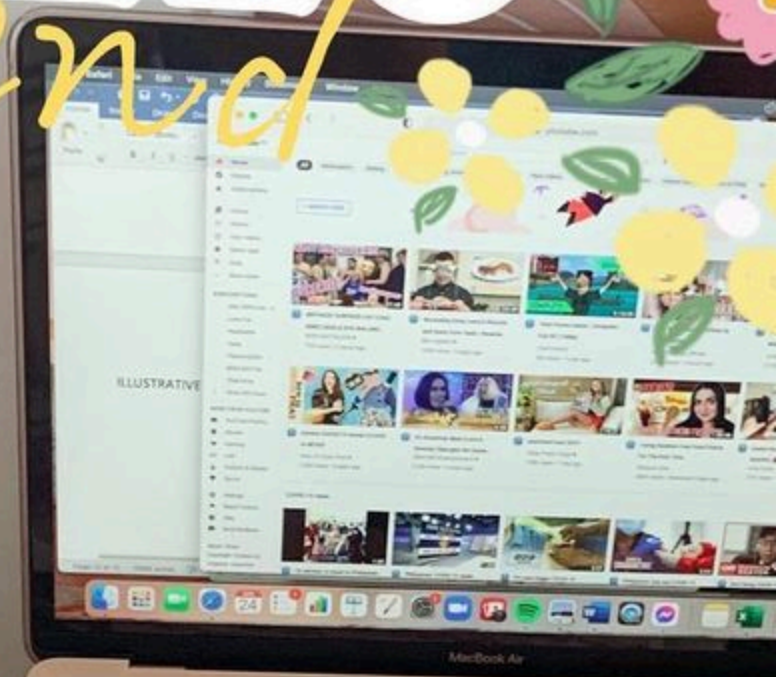

A to Y in the absence of any provision in the policy which gives an intent to benefit the repairman in case of repair of the damaged vehicle to contract for its repair does not mean that the repairman is entitled to collect the cost of repair out of the proceeds of the insurance. It merely establishes the procedure that the insured has to follow in order to be entitled to indemnity for repair cost.

2. Proceeds of the policy payable, in case of death of insured driver, to his personal representative, or to claimants or heirs of claimants.

Facts: The insurance policy in favor of the insured (insured company) provides, inter alia, that the insurance company "will indemnify any authorized driver who is driving the motor vehicle" of the insured and in the event of death of said driver, the company shall, likewise, "indemnify his personal representatives" and the company "may, at its option, make indemnity payable directly to the claimants or heirs of claimants."

Issue: Do the heirs of the deceased driver have a direct cause of action against the insurance company?

Held: Yes. It being the true intention of this policy to protect the liberties of the insured towards the passengers of the motor vehicle and the public (in other words, third parties) Thus, the policy under consideration is typical in favor of a third party. Thus, the policy contains a stipulation in favor of a third party. Thus, the policy character being made **autral** i.e., contracts containing a stipulation in favor of a third party, see Art. 1311, Civil Code. The deceased driver paid for the corresponding premiums, which were deducted for these conditions, the heirs of the deceased driver have a direct cause of action against the insurance company. Thus, the heirs of the deceased driver are entitled to the corresponding premiums, which were deducted for these conditions.
