

Agua Caliente

Written By: Angeline Pompei

Theme: movement, dancing, thirsty, sweating, shake

I see fire

Feel the flames

Music makes me go insane

The rhythms running through my veins

Move your body side to side

Or join the stage

Don't be shy

Make a memory tonight

Higher higher

Move into the fire fire

I'm moving higher higher

Into the fire fire

Higher higher

I'm going higher higher

Sweat burning fire fire

I'm going higher higher

Be your energy

Don't shake your ass at me

Just for company

Or sexuality

Up and down

Side to side

Front to back

Ole

Move it on up

Move it on down

Circle around

Ole

Don't listen to what people say

Just dance the night away

Just dance

Higher higher

Move into the fire fire

I'm moving higher higher

Into the fire fire

Higher higher

I'm going higher higher

Sweat burning fire fire

I'm going higher higher

Baila con amor

Baila que calor

Suavemente a mi

O rapido asi

Higher higher

I'm going higher higher

Sweat burning fire fire

I'm going higher higher

Que divertido

Estoy sudando

Agua caliente
