

Be Authentic

Theme: singing, dancing, music, passion, optimism

Special thank you to my singing coach Lorraine Lawson and her Club LVS for being part of my journey.

I've of thinking

Time alone

Meditating

I want to feel at home

Lots of singing

As I walk

Never ending

Until the music stops

There are many of places

In this world to see

Paris, New York or maybe Miami

Open to the endless possibilities

The only problem is I do get lonely

I just want to sing out loud

No one can shut me down

Just want to take a chance
Just want to sing and dance

I just want to be me

That's my new policy

Just want to take a chance
Just want to sing and dance

I've of thinking

What do I need?

Then I realize

Its passion that drives me

As I travel

I see opportunities

To make all of my dreams

An actuality

Hay muchas partes del mundo que ver

Tengo solo una vida para ser

Playa, Miami, muchas oportunidades

No importa, si yo puedo ganar

I just want to sing out loud

No one can shut me down

Just want to take a chance

Just want to sing and dance

I just want to be me

That's my new policy
Just want to take a chance
Just want sing and dance
Sing with your heart, with your Corazon

And you will feel much better

Find, deep inside, amor

Para ti

Si tu puedes vivir

Una vida, con todas

Las cosas que te gustan y ganar

Es tu mejor vida en el mundo

Es la verdad?

I just want to sing out loud

No one can shut me down

Just want to take a chance

Just want to sing and dance

I just want to be me

That's my new policy

Just want to take a chance

Just want to sing and dance

There are many places

In this world to see

New York, Toronto why don't you sing with me

Open to the endless possibilities

Now I see I just wanted to be me

Ooooo, oooo, oooo, oooo

Sing with me

Ooooo, oooo, oooo, oooo

Dance with me

Ooooo, oooo, oooo, oooo

Follow me

Ooooo, oooo, oooo, oooo
