I Couldn't

Written By: Angeline Pompei

Theme: Emotions, sadness, relationships, hurt/pain, internal struggles

I couldn't sing a verse

I couldn't remember the words

I couldn't

I couldn't

I couldn't say goodbye

I couldn't cut all ties

I couldn't

I couldn't

I could not find myself

Without hurting someone else

But I don't want to hurt myself anymore

I couldn't see

There was too much fog

I couldn't do a lot

I had a broken heart

But now I've built up

Yet another wall

That I lean on

because I don't want to fall

I couldn't I couldn't

I had no choice

I have to unbreak

My broken heart curse

It takes time

But time isn't free

All I can do now

Is follow my destiny

I could continue to hurt

I could think of all your sweet words

I shouldn't

I shouldn't

I can see the love in your eyes

I can feel the warmth of your smile

I shouldn't

I shouldn't

I shouldn't, I shouldn't

I have no choice

I have to unbreak

My broken heart curse

It takes time

But time isn't free

All I can do now

Is follow my destiny

I couldn't sing a verse

I shouldn't continue to hurt

I could love again

I should love again

I can follow my dreams

But maybe

You could be there

Loving me
