

Rest In Peace

Written By: Angeline Pompei

Theme: Mourning, Death, funeral, regret, saying goodbye, pain, transcending physical pain

It's hard to find the words

To explain just how I feel

I can't speak

I feel so weak

I regret

Not telling you how I feel

I regret the words

That I concealed

I hope you hear me say

These words I say today

I hope you hear me say

I miss you

I don't want to cry

I need to find the words

And say goodbye
I need to say goodbye
I don't want to cry
I need to wipe my tears
And say goodbye
You'll be forever in my mind
It's hard to think straight
With the pressure in my head
Will the crying
Ever end
I regret the moments lost
The sadness never ends
I regret the times
We never had
I hope you hear me say
These words I say today
I hope you hear me say
I love you
I don't want to cry
I need to find the words
And say goodbye
I need to say goodbye
I don't want to cry

I need to wipe my tears

And say goodbye

You'll be forever in my mind

I don't want to cry

I need to wipe my tears

And say goodbye

I need to say goodbye

I don't want to cry

I need to fight my tears

And say goodbye

For the last time

Goodbye
