

DESIGN YOUR OWN PARADIGM

As of 2008- we use these colors as standard
(can change at any time)

Colors on screen can vary from real colors

We also have Reflex paints available
(not included in standard price)
red/orange/pink/green/blue/yellow

Note:
All reflective colors and "rallye red"
are made up of two layers
(white color plus reflective color).
This increases the weight of the model.
