

CASTLE CHEF PLAYTIME

King Ketchup loves veggies, but his favorite is a pickled pepper. He loves it morning, noon, and night... always with ketchup of course! Pretend you're the official castle chef and make the King's favorite dish, or create your own curious recipe!

INSTRUCTIONS

- For best results, print on card stock
- Cut out the pieces (with grownup supervision!)
- Have fun making your own recipes, and maybe have a pretend picnic when you're done!
