ECO MODE

BIG KEYS AND NUMBERS

Telephone highly indicated for the elderly or those with vision loss, since its keyboard equipped with separate buttons and easily legible numbers make calling really easy.

ECO MODE: LESS RADIATION

The phone does not emit any radiation when it is in standby mode. And during a call, its environmentally friendly technology adjusts power transmission to the distance between the base station and the handset.

GOSSIP 2

COMMUNICATION IS VITAL. LET'S MAKE IT EASY.
