2024 FAQs

Can I bring outside food?

Groups and individuals are permitted to bring their own snacks and bulk items to Irons Mill! Electricity is not provided.

Do you accept cash?

Following your admission to the park, all buildings operate on a cashless basis.

When should I start to plan?

The earlier, the better! However, we have helped large groups put together last minute events that were very successful, but dates fill up quickly!

What's your number one rule?

Kindness is key. Little eyes are watching you when you enjoy yourselves during your event!

What if there's bad weather?

It is very rare that we need to close due to bad weather. In the event of inclement weather that results in closure, we would do our best to reschedule your event. If there's no availability, we'll return your deposit.

"Our annual event at Irons Mill is a highlight for our employees. It's a great venue for building team spirit and creating lasting memories!"
