HUNRED ACRE CREAMERY *Sunset Way*

Menu and Stories

HI, FROM US AT HAC TEAM

Hundred Acre Creamery was founded in 2020. We are passionate about making quality handcrafted gelato from fresh and natural ingredients. Inspired by the philosophy of Winnie The Pooh - a children's book - we found ice cream and this story similar in how they allow us to genuinely feel the sense of happiness, simple joy in life, and the beauty of companionship.

All our gelato, waffles, desserts, and beverages hold special meanings for us as their flavours are what we personally enjoy. They reflect our living experiences and identities. We serve what we love.

We are having 2 outlets, one at Tampines S520824 and one at Sunset Way Clementi (S120109), a central kitchen at Tai Seng (S369546), and a partnership under the brand OnlyCreamery at Chinatown (S058581).

Thank you for dropping by our little happy place and we hope the food and memories here can cheer up your day - because seeing you happy means a lot to us.

COLD DRIP COFFEE

This coffee has a nutty, fragrant, and addictively robust flavour. It offers a thick mouthfeel and ends on a beautiful note of a subtle chocolate after-taste

Inspired by authentic Hanoi's egg coffee, our rendition is a combination of Vietnamese black coffee and a layer of thick special egg creme. While the coffee taste is still strong and aromatic, the egg yolk custard makes it creamy and rich, which resembles the latte texture
