Discover an eveningwear brand that combines timeless style with sustainable practices - COUCA. Born from a passion for the planet and stunning textiles, COUCA pays tribute to its designer's late grandmother, Kouka, who embodied timeless style and seamlessly fused Western designs with Eastern fabrics.

COMMITTED TO SUSTAINABILITY

COUCA's mission is to redefine fashion as slow, modular, and meaningful by creating clothing that is designed to last and can be worn in multiple ways. With flexible sizing and zero-waste production methods, COUCA is committed to minimizing its environmental impact while providing luxurious, sustainable fashion that is made to last.

MODULARITY CLOTHING FOR EVERY OCCASION

COUCA's mission is to redefine fashion as slow, modular, and meaningful by creating clothing that is designed to last and can be worn in multiple ways. With flexible sizing and zero-waste production methods, COUCA is committed to minimizing its environmental impact while providing luxurious, sustainable fashion that is made to last.

ZERO-WASTE A CONSCIOUS CHOICE

COUCA practices zero waste production, using every scrap of material and upcycling and recycling materials whenever possible. The brand also holds educational workshops on sustainability, promoting slow fashion with unique, customisable one-off pieces.

FLEXIBLE SIZING A PERFECT FIT FOR EVERYONE

The clothing is designed to be flexible with corset-laced backs, allowing for a perfect fit. The sustainable aspect of the brand does not compromise on luxury, color, and glamour. With lace-up backs that can expand by up to 4 inches, these corsets ensure a perfect fit for every wearer.
