14) TRADEMARK AND USE OF MATERIALS

US Wellness Meats is one of the most recognizable brands selling grass-fed and pasture raised meats, and sustainably raised foods direct to consumers via the Internet. All aspects and identifiers of our brand – including images, text, design, color, and composition – represent who we are to our customers and are key components – or “elements” – of our brand. We want our wholesale customers to grow their businesses; at the same time, we take very seriously every representation of the US Wellness Meats brand, whether print or digital, graphic or text. We protect these representations diligently, because accurate representations of our brand best serve us all.

So, we ask our affiliates, partners, and wholesale customers, bound to us by written agreement, to understand that our brand cannot be presented in any way not approved by us. Nor can our brand be associated with or linked to any statements or images that we find inaccurate or objectionable. Nor can you incorporate in any way any US Wellness Meats elements into your own product name, service names, trademarks, logos, or company names, unless US Wellness Meats has approved this in advance. Generally, this means that you must not copy or imitate the characteristic “look & feel” of the US Wellness Meats brand, which includes but isn't limited to our web design properties, brand packaging, distinctive color combinations, typography, graphic design, icons, and imagery. Don't create marks, logos, slogans, or designs that are confusingly like ours; and don't use any US Wellness Meats brand elements in any way that suggests common, descriptive, or generic meaning.

15) RULES for GRAPHIC REPRESENTATION

We will supply you with all graphic brand elements you may need for display – i.e., logos, web banner ads, and print ads. Many elements in standard sizes are available to you upon request; please allow two weeks for production of custom elements, according to exact specifications (dimensions in pixels for digital and inches for print) provided by you. You cannot modify the elements supplied by us in any way, including resizing. They must be used as supplied by us.

In addition:

15.1 Don't display any US Wellness Meats brand element as the most prominent element on your web page or characteristic print page.

15.2 Don't display a US Wellness Meats brand element that in any manner implies an imagined relationship, sponsorship, or endorsement by US Wellness Meats.

15.5 You must supply us with draft presentations of web pages or print pages showing our elements in place before you take them live or send them to press. Please send these draft presentations to eathealthy@grasslandbeef.com
