

TURBOTM HP2 FORCE GOWIRELESS

Certified Pre-Owned

Intec Part #: 40003-01 CPO

Serial #: 202211 CPO198

Insulation Blowing Machine

The portable blowing machine that puts you in the lead with

-  **High return on investment** – Truck mount system capabilities at a fraction of the cost.
-  **Labor savings** -- Fastest in-class install speeds for dense pack, blow behind netting, and attics while meeting manufacturer's coverage charts. 15 cu foot hopper holds 2+ bags cellulose or 1 bag fiberglass enhancing crew sequencing.
-  **Application versatility** – Choose your product, choose your installation type – this system can do it all (attics, walls, & fireproofing).
-  **Ease of Use** – GoWireless industrial wireless remote minimizes set-up & tear down time, easily accessible circuits provide power, portable, fits thru doors.

Actual CPO system

Intec Quick-AccessTM - IQ_ATM We've made it easy to make machine adjustments, perform routine maintenance, and complete repairs to give you years of trouble-free use.

Revolutionary tilt back design simplifies access to airlock, agitators, and all working components.

THE Portable Insulation Blowing Machine that makes owners of truck-mount systems envious.
