SWISSPL SIZING GUIDE TOOL

Print this page to estimate your wrist circumference for correct bracelet sizing.

1. Print this page. In the Print dialog box, ensure that Page Scaling is set to None
2. Compare the Bracelet Sizer with a ruler to ensure that the Sizer printed at correct scale
3. Cut out the entire Bracelet Sizer around its borders
4. Place the sizer around the wrist to be measured. Pull the end through the slit
5. Ensure that there is enough room left around the wrist to allow for an index finger to fit through
6. Read the measurement as it appears through the slit
7. If you wish Breitling to size your watch bracelet to this measurement; please enter this measurement at checkout
