The Core HX 3-9x40VHR is a sleek riflescope designed for deer hunting, but also excellent for hog, fox and varmint hunting. Constructed of aircraft-grade aluminum, the Core HX 3-9x40 is a single-piece 1" tube that features a rangefinding reticle designed specifically for whitetail deer. With a matte black finish and fully multi-coated lenses, this riflescope is IP67 waterproof and dustproof, shockproof and fog-proof. It has resettable, capped turrets with 1/4 MOA windage and elevation adjustments. For a reliable riflescope designed to fill your freezer with venison, the Core HX 3-9x40 VHR can't be beat!
