Sightmark's Mini Shot A-Spec M3 is the ideal sight for home-defense and short-to-mid range shooting endeavors. The A-Spec M3 is manufactured to fit pistols with a Shield RMS-C® footprint, and it boasts a red auto-brightness control reticle, to accommodate shooting at any time, day or night. This compact optic is notoriously durable - aluminum alloy housing, IP55 water-resistant, shockproof, able to withstand up to .375 H&H caliber and operate in temperatures from -22F to 122F. With a battery life up to 100,000 hours and in included rubber cover, low-profile fixed mount and manual, the A-Spec M3 is guaranteed to help you Make Your Mark.
