AMAZONAS
SIENA DUE

This softly upholstered sofa will look wonderful in any house or garden.

It is made from weather-resistant treated spruce. The high-class laminated gluing makes it particularly stable and secure. All the metal fittings are galvanised for optimum corrosion resistance.

The extra-thick, water-repellent and rapidly drying upholstery is your guarantee of perfect relaxation. The extremely resistant Agora fabric cover is as soft as cotton, very resistant to light and the weather (light fastness 7/8), water-repellent, mould resistant, insensitive to dirt and easy to look after.

All the raw materials used come from Europe, and have been processed in Europe in environmentally friendly ways. AMAZONAS uses FSC™-certified wood from sustainable European state forests for the manufacture of their products.
