4. SHORT-TERM GOOD HEALTH WARRANTY

The Seller guarantees the health of the Dog on pick-up or on shipment for a period of 7 days (the "Initial Warranty Period"). The Initial Warranty Period begins when the Dog leaves the Seller's possession. If, within 7 days of this sale, the Buyer discovers that the Dog is sick, the Buyer may return the Dog to the Seller. The Seller will refund the Purchase Price, return the Dog to the Buyer in well condition, or exchange the Dog for a dog of the same breed, sex, approximate age, and value. If a replacement dog is provided, the terms of this bill of sale will apply to that dog, and all references to the Dog shall be taken to mean the replacement dog. The Dog is warranted against fatal genetic defects for a period of 24 months from the date of sale. If defects are discovered, a replacement dog of the same breed, sex, approximate age, and value will be given to the Buyer at no charge. No replacement will be provided if the Buyer fails to provide a letter of explanation from an examining

licensed veterinarian. If the Buyer does not take the Dog to an examining licensed veterinarian within 1 week of the sale, this 24-month good health warranty is null and void. If a replacement dog is provided, the terms of this bill of sale will apply to that dog, and all references to the Dog herein shall be taken to mean the replacement dog. These are not life-threatening ailments and are easily treatable.

Under no circumstances may the Buyer sell, lease, or give the Dog to any pet shop, research laboratory, or similar facility (including dog pounds or rescues). If the Buyer can no longer provide a home for the Dog, the Buyer shall notify the Seller before making any transfer and the Seller shall help find a new home for the Dog or reclaim the Dog at the Buyer's expense. If the Dog is returned under this section, the Buyer shall help with any legal action necessary to transfer ownership and registration of the Dog to its new owner

7. NO REPRESENTATIONS OF FUTURE ABILITIE

The Seller has made no representations, verbal or implied, about the Dog's future abilities
