# HELLO!

Morgan Swank Studio is an art and design studio based in Richmond, Virginia! I create bright and bold illustrated greeting cards and gifts for fun humans.

As a little girl, my dad taught me a love for drawing. He would trace Minnie Mouse for me to color in, and I thought it was absolutely magical! After graduating with a fine arts degree, my goal has been to find ways to share this magic of illustration with others.

All of the designs you see here are illustrated using markers or my iPad—and sometimes a combination of both!

I hope that what you see in this catalog brings you joy and adds a touch of color to your day!
