'K Sports Hockey Club worked directly with SAMURAI, after a detailed tender process to create a modern, bespoke playing kit along with an affordable bespoke and stock leisurewear range. The design and development of all merchandise was second to none, from the initial concept through to the conclusion of all products. The kit is of great quality and still looks as good today, as it did when we designed and created it. In our opinion, SAMURAI offer unparalleled quality and the kit is diverse and flexible to cover all sporting environments and occasions. It looks just as good off the pitch as it does on and we always get remarks when travelling and playing. We have always been pleased with the manufacturing process, price points, deliveries, communication and the professional manner in which they conduct their business. We would not hesitate to recommend Samurai to any future interested party.'
