

WASH AND CARE

Highly effective special cleaning concentrate with natural ingredients – for regular cleaning and care!

8016
Clear

PRODUCT DESCRIPTION

Water-soluble cleaning concentrate for everyday cleaning and care – especially developed for oiled and waxed wood floors. It contains soaps based on natural oils. The wood does not dry out from cleaning. When used regularly, the highly effective Wash and Care produces a low-maintenance, non-slip surface. The water-soluble ingredients prevent streaks and do not form a layer. Especially mild on skin, free of dyes and aromas, biodegradable, free of solvents and emissions, and thus it supports a healthy living environment.

RECOMMENDED USE

Osmo Wash and Care is especially suitable for the cleaning and care of oiled and waxed wooden flooring. It is also recommended for furniture, doors, wall and ceiling panelling.

CONTAINS

5-15 % soaps (based on natural vegetable oils), < 5% non-ionic wash-active substances. Free from solvents, Formaldehyde, Amines and colour and scent substances.

TECHNICAL DATA

Specific gravity: 1.01-1.03 g/cm³
Odour: faint/mild, after drying odourless
pH value at 20°C: 10.9

STORAGE

Up to 5 years and longer if container is kept dry, closed tightly and stored at temperatures between 5 and 35°C. Do not expose to frost during transport!

SURFACE PREPARATION

To remove loose debris, we recommend using Osmo Dust-Mop, a conventional vacuum cleaner or broom.

DIRECTIONS FOR USE

Manual: Wash and Care is ideally used with Osmo Micro-Mop Plush. Add Osmo Wash and Care to water. Clean the floor with a damp (not wet) mop and wipe dry immediately.

When applied regularly, the surface becomes resistant to dirt and signs of wear.

Machine: Spread the diluted Wash and Care solution with a pump sprayer. Loosen dirt with a single disc machine, e.g. Osmo FloorXcenter, and a white pad. Immediately, mop away or remove with a round Osmo Microfibre Pad for machines.

COVERAGE

1 capful of Wash and Care per 2 litres water. For higher levels of soiling or for mechanical applications, dosage can be increased up to a mixing ratio of 1:1.

NOTE

To remove extremely persistent stains and generally maintain waxed or oiled floors we recommend our well proven Osmo Liquid Wax Cleaner, based on natural vegetable oils and waxes (not water-soluble). For complete floor renovation just apply a further coat of Osmo Polyx®-Oil after cleaning.

HAZARD STATEMENTS

CAUTION. IRRITANT.

MAY IRRITATE EYES. MAY IRRITATE SKIN. Do not get in eyes. Do not get on skin or clothing. Keep out of reach of children. **FIRST AID TREATMENT.** Contains oleic acid. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water.

DISPOSAL

Dispose of leftover product and completely emptied packaging according to local official guidelines (waste code number 08 01 11). Only completely emptied cans can be recycled.
