Druzy Pink Opal (rough)

Druzy Pink Opal is a rough stone created from over a million years of crystallization. It deepens your sense of compassion and empathy, opening the heart to love, hope, and greater peace.

The Pink Opal is often associated with bringing non-judgement and healing during your dream state. It can be calming for those experiencing nightmares or difficulty sleeping, offering a sense of grounding, comfort, and gentle ease.

Druzy Quartz (rough)

On the Druzy Quartz, you will see a layer of small quartz crystals that have solidified on the surface of a quartz-based mineral, giving the stone an appearance like sugar.

This stone offers healing, clarity, and balance to its carrier. It carries the opportunity for greater reflection, self-exploration and attunement to one's psychic abilities. As such, it is often used to bring insight when starting a new project.

Chrysanthemum Fossil (honed)

The Chrysanthemum stone is a truly magical representation of the Earth's creative power. Often referred to as "the flower stone," this crystal features a pattern that resembles its namesake. Years of geological change and rock movement naturally created a stone that is now seen as a symbol of optimism and joy.

Chrysanthemum Fossil assists in the spiritual journey, helping you understand your Soul, develop a deeper bond with your emotional body, and connect with your life's purpose. It is a stone that will help you find your way if you feel lost, realigning you with a sense of harmony, calm, and inner knowing.

Druzy Agate (rough)

Druzy Agate is a rough stone that is formed over millions of years as mineral-filled water sits on another rock's surface. As the water evaporates, the minerals left behind create the formations seen on this stone.

Druzy Agate brings the wearer a sense of peace, love, and relaxation. With this stone, you are supported to lean into your truest self more deeply. It is a balancing stone that brings inner power, harmony and strength.

Druzy Fluorite (rough)

Druzy Fluorite is lauded for its vibrant violet-purple hues, which instill a sense of serenity. This stone carries properties of detoxification, cleansing, purity, and improved concentration.

Druzy Fluorite removes mental and emotional blockages, helping you move through everyday life with enhanced clarity of vision, wholeness, and overall positivity.
