

Merry
Christmas!

Box Mix Brownie Cookies

Ingredients

- 1 box of Lehi Mills Double Fudge Brownie Mix
- 2 eggs
- 1/2 cup of melted butter
- Sea Salt (optional)

Method

1. Preheat your oven to 350F
2. In a small bowl, whip together the eggs on medium speed for 3 minutes.
3. In a separate bowl, combine the brownie mix and butter. Stir in the eggs.
4. Use a cookie scoop to spoon brownie cookie dough onto a lined or greased cookie sheet and sprinkle the top with sea salt, if desired. Immediately place your cookies in the oven to ensure the leavening agent is fully active; the longer the batter sits, the flatter the cookie will be.
5. Bake your brownie cookies for 8 - 10 minutes and, once cooked, remove them from the oven and let them cool before consuming.
6. Customize this recipe according to your (or your family's) taste buds! Add in oreos, sprinkles, caramel, sea salt, chocolate chips, or even fresh fruit!

 10 - 12 mins

 makes about 20 cookies
