FIREPLACE CATALOG

Something about a fireplace warms not just our bodies, but our souls.

Fireplaces are synonymous with the comforts of home... a place where friends and families gather, holidays are celebrated, books are read, thoughts are collected.

Since 1965, MATERIAL Bespoke Stone + Tile has transformed natural stone into beautiful fireplaces that are worthy of the memories made in their presence.

Whether your style is modern, traditional, or somewhere in between, we offer dozens of distinctive designs, each one individually hand-carved by our artisans from one of 50+ varieties of marble, travertine, or limestone.

We hope this catalog will inspire you to partner with one of our natural stone experts to create the perfect fireplace for your home or project. We would be honored and grateful for the opportunity.

Warmly,
Timothy Roberts, CEO
