- If the carbon filter life indicator is yellow, the carbon filters need to be changed. *
- Be sure the plastic bag has been removed from the carbon filter.
- If the filters have not been changed in a year or more, change the HEPA filters.
- If the HEPA Filter Life Indicator is red, the HEPA filters need to be changed.
- If the front grill does not fit properly, the unit will not operate. Make sure the filters are properly installed and make sure front grill is seated correctly.
- Check to make sure the unit is properly plugged in.

NOTES:
- This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.
- Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or loss of profits, or for any breach of contract.

What are the limits on JCS's Liability?
