

4 BIKINI SHOPS THAT ARE READY TO ROCK YOUR NEW BEACH BODY

written by Cheng Sim | February 18, 2017

4. Malibu Beachwear

Just a quick glance at Malibu Beachwear's Instagram grids is enough to get us packing our suitcase and booking a one-way ticket to the nearest island. With a design that leans towards tropical moods and Aztec prints, an afternoon spent in their swimwear will bring out the fun and flirty in you. Interestingly, they also sell comfy mermaid tail blankets for Ariel dreamers who loves to cozy up in bed.
