FALL ARREST BLOCK

DEFINING FEATURES

INCLUDES:

- Lightweight, high impact composite casing
- Galvanised steel cable
- Wire-mounted comfort grip
- Comfort carry handle
- Two stage Snap Hook

CONFORMS TO:

EN360

Tested and approved for users up to 140kg.

RECOMMENDED LIFESPAN:

As this product consists mainly of metal components, and undergoes regular maintenance checks (at least once a year), we do not specify a lifespan. The lifespan can be unlimited with the correct level of maintenance and attention.

IMPROVED HIGH IMPACT CASING WITH CARRY HANDLE:

The redesigned composite housing provides both protection against high impact damage from falls and general use, while the ergonomically shaped carry handle ensures convenient transportation.
