SAMOA

DESIGN GIUSEPPE BAVUSO

Piacevole passe-partout, la poltroncina SAMOA si distingue per la linea sinuosa di seduta e schienale qui nella versione con trama intrecciata, in contrasto con il rigore della base squadrata. Seduta e schienale sono realizzati in schiuma di poliuretano flessibile a freddo e rivestito a scelta in pelle, ecopelle o cavallino, mentre la struttura è disponibile in tubolare di acciaio laccato o cromato.

A versatile passe-partout, the SAMOA armchair stands out for the sinuous lines of the seat and back, here in version with woven seats to contrast the sharply squared base. Seat and back are made in flexible cold shaped polyurethane, covered in leather, synthetic leather, or pony skin, while the frame is available in either painted or chrome-plated tubular steel.
