

Cherie bed
"Cherie" padded bed with storage unit

RECLINING HEADBOARD

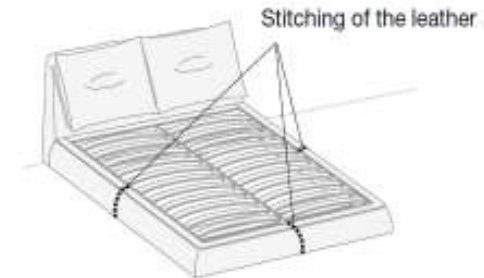

Position 1

Position 2

Seams for bed in leather

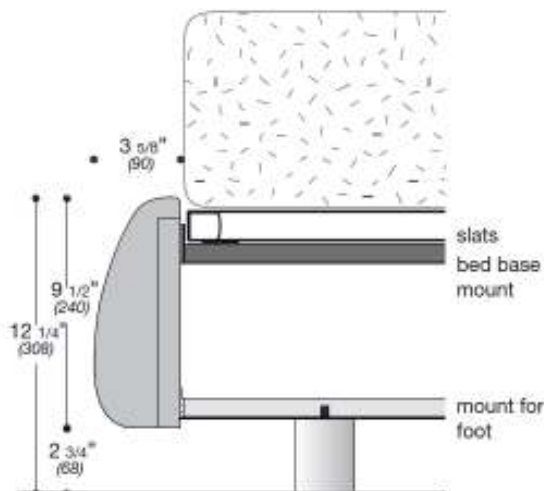

FEATURES

Shaped ring padded with polyurethane foam finished with a removable cover in fabric, artificial leather or leather. Also available with storage unit with support feet in black ABS, 2 3/4" high, to facilitate cleaning.

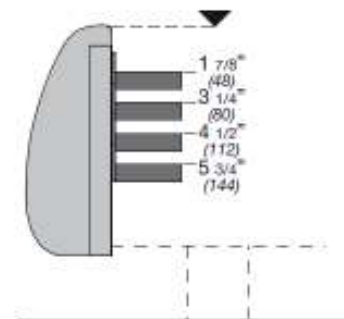

Headboard padded with polyurethane foam with different densities with cushions padded with synthetic down packed individually to aid removal of covers. A mechanism concealed inside the structure allows you to recline the backrest with natural movements. Covers in fabric, artificial leather or leather.

The adjustable bed base mounts allow the use of different sizes of bed bases and mattresses.
